

FENCING EQUIPMENT

Whilst a member of the Musketeers Club, fencers will be provided with all the equipment needed. However, we do encourage musketeers who have been fencing for a while to start buying their own equipment, especially if they will soon be moving up to the senior club where it is not provided. **Breeches are the most important thing to buy, as they offer more protection than jeans or tracksuit trousers.**

If you wish to purchase equipment, the following items can be ordered from Leon Paul. The prices shown below do not include postage (but some already exclude VAT). Further details of the equipment listed below, including advice on how to measure for the correct size, can be found on the Leon Paul website www.leonpaul.com (or by phoning 08453 888132 or emailing sales@leonpaul.com). You might also be interested in Leon Paul's Spartan range which is slightly cheaper. Another supplier we recommend is <https://www.allstar-fencing.co.uk>.

Sarnia Sword Club

Item	Description	Reference	Price
Breeches	Junior Phoenix Range Sizes 24" to 30" (these have shorter legs than the adult sizes and are designed for children under 5ft tall). https://www.leonpaul.com/junior-phoenix-range-breeches.html NB: It is notoriously difficult to get breeches that fit.
